

Abhinav Gupta

Front-end Developer

As a Front-end Developer at Whip&Stir Media, I played a pivotal role in crafting dynamic and visually appealing user interfaces for various web applications. Leveraging my expertise in HTML, CSS, and JavaScript, I am passionate about continuous growth and actively seek opportunities to expand my skill set and contribute meaningfully to challenging projects. Eager to embrace new challenges and explore avenues that foster both personal and professional development

COLLABORATION AND TEAMWORK:

Collaborated with UX/UI designers to ensure seamless integration of design elements into the front-end development process.

Worked closely with back-end developers to establish efficient communication between the front-end and server-side logic.
